

# APPENDIX 1A — SURVEY FOR ORGANIZATIONS

## Welcome

The Task Force represents a wide range of pharmacy stakeholders. They have been working diligently since January 2007 to draft a document that would create a plan for the future of pharmacy in Canada. However, as indicated in the title of this document, this future vision can only be implemented if we “design it together”.

Note that this survey aims to capture your organization’s high level comments. Please respond by August 15, 2007. For more information on the Blueprint for Pharmacy please visit: [www.pharmacists.ca/blueprint](http://www.pharmacists.ca/blueprint). Thank you for your time.

1. Name of your organization.
2. What are your overall “likes” about this document?  
Please include a few examples.
3. What are your overall “dislikes” about this document?  
Please include a few examples.
4. Please provide feedback for the following sections of the Blueprint for Pharmacy document. We are interested in knowing if you have any red flags in these sections.
  - a. Vision for Pharmacy
  - b. Introduction
  - c. A Changing Pharmacy Profession in Canada
  - d. Addressing Medication Use Challenges
  - e. Pharmacy Responds
  - f. The Blueprint for Pharmacy
5. Please provide feedback for the following sections of the Blueprint for Pharmacy document. We are interested in knowing if you have any red flags in these sections.
  - a. Pharmacy human resources: Are there any red flags in this section? Is this section clear? Is there anything missing?
  - b. Education and continuing professional development: Are there any red flags in this section? Is this section clear? Is there anything missing?
  - c. Information and communication technology: Are there any red flags in this section? Is this section clear? Is there anything missing?
  - d. Financial viability and sustainability: Are there any red flags in this section? Is this section clear? Is there anything missing?
  - e. Legislation, regulation and liability: Are there any red flags in this section? Is this section clear? Is there anything missing?
6. Please, indicate your overall comfort level with this draft Blueprint for Pharmacy.
  1. Not at all
  - 2.
  3. Somewhat
  - 4
  5. Very
7. Are there any ideas in this document that would keep your board/organization from endorsing this Blueprint for Pharmacy? Are there any deal breakers?
  - a. We could endorse this version of the Blueprint.
  - b. We could not endorse this version of the Blueprint unless the following issues are addressed.  
If b., please be very specific regarding the changes requested:

*The Task Force on a Blueprint for Pharmacy thanks you for your time.*
