### ACTIVITY 3: SQUAMISH LIL'WAT CULTURAL CENTRE TOUR WITH DRUM-MAKING WORKSHOP

Get an in-depth look at the history and culture of Whistler's two First Nations. Afterward, view exhibits that explore the First Nations relationship to the land and objects that celebrate traditions of art, music and ceremony, past and present. End with a drum-making workshop. Drums are one of the most important symbols and pieces within both the Squamish and Lil'wat Nations. If this is your first drum making class, come prepared with a name of the person who will be honoured with your drum, as it is traditional to give your first one away.
