CPHA Honorary Life Award

The CPhA Honorary Life Award recognizes outstanding service to pharmacy, CPhA and the profession nationally. The award may be conferred on any pharmacist, who is or has been a CPhA Individual Associate or Individual Affiliate, or non-pharmacists and non-residents of Canada who have contributed to CPhA or the profession nationally.

The number of CPhA Honorary Life Awards granted in one year is not limited; if there are no qualified candidates nominated, the award will not be granted. CPhA Honorary Life award winners shall be granted lifetime affiliation to CPhA.

Nominators to provide evidence on as many of the following as possible:

- Outstanding contribution to pharmacy or CPhA which enhanced the profession nationally
- Has a distinguished record or has been honoured for service
- Contribution to a national pharmacy organization (e.g., active in committee work or served on the Board)

Along with a lifetime affiliation to CPhA, the successful recipient will receive, for the year in which the award is presented:

- Complimentary conference registration
- Round-trip travel to the annual conference
- Accommodation for two nights at the conference host hotel
- Commemorative gift

Recent recipients of the CPhA Honorary Life Membership Award:

2018 David Edwards
2017 Betty Hutt
2016 Dayle Acorn
2015 Rita Caldwell
John Pugsley

2013 Bev Allen
2012 David Windross
2011 John Gans
Marian Kremers
Kamal Midha
2010 Dennis Gorecki
Jean Gray
2009 Frank S. Abbott
2008 Vernon Chiles
Leslie Dan

CPHA Meritorious Service Award

The CPhA Meritorious Service Award is offered in recognition of service to the pharmacy profession such that it brings credit and prestige to the profession in Canada or internationally. The award may be awarded posthumously.

The award may be conferred on anyone who is or has been a CPhA Individual Associate or Individual Affiliate. The number of CPhA Meritorious Service Awards granted in one year is not limited; if there are no qualified candidates nominated, the award will not be granted.

Nominators to provide evidence on as many of the following as possible:

- Contribution to a national or international pharmacy organization through service on the Board or through committee work
- Active in community service as a pharmacist
- Recognition and/or honour because of pharmacy activities (provincial, national, international)
- To nominate based on international contribution, evidence of a prominent international leadership role within pharmacy, either through an individual initiative or within an organizational framework (volunteer or workplace), which allows the nominee to make an international contribution in their sphere of activity resulting in positive profile brought to the profession within Canada

The successful recipient will receive, for the year in which the award is presented:

- Complimentary conference registration
- Round-trip travel to the annual conference
- Accommodation for two nights at the conference host hotel
- Commemorative gift

Recent recipients of the CPhA Meritorious Service Award:

CPHA New Practitioner Award

The CPhA New Practitioner Award recognizes a pharmacist who has been in practice not more than five years, has demonstrated a commitment to pharmacy at the undergraduate level and has continued to promote the profession.

The award may be conferred on any CPhA Individual Associate or Individual Affiliate who has been licensed to practice pharmacy in a province or territory of Canada not more than five years. Only one CPhA New Practitioner Award may be granted in a given year; if there are no qualified candidates nominated, the award will not be granted.

Nominators to provide evidence on as many of the following as possible:

- Contribution to a pharmacy organization (e.g., active in committee work or served on the Board)
- Active in community service as a pharmacist
- Involvement in initiatives to promote the development of the pharmacy profession (e.g., through innovation, government advocacy, pharmacy practice research)
- Embraced excellence in his/her practice to improve patient outcomes

The successful recipient will receive, for the year in which the award is presented:

- Complimentary conference registration
- Round-trip travel to the annual conference
- Accommodation for two nights at the conference host hotel
- Commemorative gift

Recent recipients of the CPhA New Practitioner Award:

2018 Jen Baker
2017 Allison Tario
2016 Gina Giurguis
2015 Robert Pammett
2014 Bryan Gray
2013 James Morrison
2012 Julia Bareham
2011 Craig Connolly
2010 Bradley Mitchelmore
2009 Alicia D. Spence
2008 Kaye Andrews

CPhA Patient Care Achievement Award

Sponsored by Green Shield Canada Foundation in honour of Vernon Chiles

The CPhA Patient Care Achievement Award recognizes a pharmacist who has demonstrated excellence in a practice setting by exhibiting outstanding innovation and leadership, establishing a specialty practice, or going above and beyond in the ongoing education of patients on wellness, healthy lifestyles and disease prevention.

The award may be conferred on any CPhA Individual Associate or Individual Affiliate. Only one CPhA Patient Care Achievement Award may be granted in a given year; if there are no qualified candidates in a particular year, the award will not be granted.

Nominators to provide evidence on as many of the following as possible:

- Unique and/or creative ongoing wellness promotion, initiated or driven by the nominee
- Innovative pharmacy practice, initiated or driven by the nominee, that is applicable or relevant to other practice sites and that contributes to public health
- Community work related to health promotion activities or specialty practice
- Involvement in educating the public and health professionals
- Development and implementation of clinical tools and/or programs
- Advanced training or certification

The successful recipient will receive, for the year in which the award is presented:

- Complimentary conference registration
- Round-trip travel to the annual conference
- Accommodation for two nights at the conference host hotel
- Commemorative gift

Note: This award was created in 2018. Formerly, honorees were selected for Patient Care Achievement specifically related to Health Promotion, Innovation or Specialty Practice. The inaugural winner of the CPhA Patient Care Achievement Award was Jaris Swidrovich.

CPHA Certificate of Recognition

The CPhA Certificate of Recognition is conferred on pharmacy groups (excluding pharmacies) or professional organizations, and in exceptional cases, an individual, to recognize outstanding service or contribution to the profession and the community. Anniversaries (50-year increments) or special occasions may be acknowledged.

The number of CPhA Certificates of Recognition granted in one year is not limited; if there are no qualified candidates identified in a particular year, the certificate will not be granted.

The successful recipient will receive, for the year in which the certificate is presented:

- Up to three tickets to the CPhA Awards Ceremony and Reception
- Framed certificate

Recent recipients of the CPhA Certificate of Recognition:

- 2018 University of Waterloo, School of Pharmacy in recognition of its 10th anniversary
Canadian Pharmacists Journal (CPJ) in recognition of its 150th anniversary
- 2016 Ontario Pharmacists Association in recognition of its 50th anniversary
