

THIS YEAR IT'S MORE IMPORTANT THAN EVER TO GET THE FLU SHOT.

Things might look a little different this year at your pharmacy.

Before you visit...

**Always contact
your pharmacy
in advance**

**Self-screen for
COVID-19
symptoms**

At the pharmacy...

**Be prepared for screening
before you enter**

**Wear a mask or
face covering**

**Wear loose clothing
with short sleeves**

**Arrive on time,
not early**

**Limit the number
of people going with you**
