1. Scope of activities, regulations, training requirements and/or limitations differ between jurisdictions. Please refer to the pharmacy regulatory authorities for details.

2. Initiate new prescription drug therapy, not including drugs covered under the Controlled Drugs and Substances Act.

- 3. Alter another prescriber's original/existing/current prescription for drug therapy.
- 4. Applies only to pharmacists with additional training, certification and/or authorisation through their regulatory authority.
- 5. Authority to inject may not include all drugs or vaccines. Please refer to the jurisdictional regulations.
- 6. Applies only to existing prescriptions, i.e., to provide continuity of care.
- 7. Pursuant to a Ministerial Order during a public health emergency.
- 8. Applies only to pharmacists working under collaborative practice agreements.
- 9. For education/demonstration purposes only.
- 10. Pending health system regulations for pharmacist requisitions to labs.
- 11. Authority is limited to ordering lab tests.
- 12. Authority limited to ordering blood tests. No authority to interpret tests.

13. Pharmacy technician registration available through the regulatory authority (no official licensing).
